

Recognize Your Congressional Champions!

As part of the last day of The Corps Network's [2016 National Conference](#), we will host our traditional Capitol Hill Awards Breakfast on Wednesday, February 10. This breakfast will include award presentations for our Projects of the Year, Corpsmembers of the Year, and for our Congressional Champions. We need your help!

Is there a member of the US House or Senate that has visited your Corps or been supportive of your efforts locally? Do you think they are deserving of an award for their support? If so, please let us know by **Friday, December 18, 2015**.

How to Nominate Someone?

Please contact Tyler Wilson (twilson@corpsnetwork.org), Director of Government Relations. Simply send us the Member's name and one or two sentences on why they should receive an award. We'll contact you if/when we need more details about your interaction with them or their staff. Please contact Tyler with any questions.
