

The Corps Network Great Outdoors Day of Service

& National Service
and Conservation
Corps Day

About the Day of Service

June is Great Outdoors Month®: a celebration of America's public lands and the many ways to enjoy them. Cities and organizations host events across the country to encourage outdoor recreation.

The Corps Network, the National Association of Service and Conservation Corps, recognizes Great Outdoors Month® with National Service and Conservation Corps Day and our Great Outdoors Day of Service. The Day of Service gathers outdoor enthusiasts, conservation supporters, and young people from Corps across the Northeast and Mid-Atlantic for park maintenance projects around the nation's capital. The event has drawn upwards of 200 participants. This year is our 9th Day of Service.

Purpose of the Day of Service

- **Inspire** people to get outside and contribute to the preservation of America's natural spaces. There are new opportunities to #ServeOutdoors through the American Climate Corps.
- **Raise awareness** about the role of service in protecting and improving our public lands.
- **Celebrate** the launch of the **American Climate Corps** and the service of Corpsmembers and other volunteers who help protect our natural and cultural resources.
- **Make a difference.** We hope to make a dent in the backlog of projects on National Park Service properties, helping our park partners in the DC region focus on other priority work.

Sponsorship

Last fall, the White House launched the **American Climate Corps (ACC)** – an initiative to engage more young people in climate resilience service and careers in the emerging green economy. The Corps Network is proud to connect our talent to this once-in-a-generation national program. Sponsors have the opportunity to celebrate stewardship and the impact of service on our public lands, and serve alongside our Corpsmembers and key partners, including staff from the National Park Service and AmeriCorps. Sponsorships include recognition, volunteer engagement spots, and the opportunity to interact with key partners. To sponsor, please email Asia Alvarado, aalvarado@corpsnetwork.org, by **May 24, 2024**.

About The Corps Network

Established in 1985, The Corps Network is the National Association of Service and Conservation Corps. Our membership of 150 Corps annually provide more than 22,000 young adults the opportunity to serve our country on public lands and in rural and urban communities. The Corps Network supports Corps by advocating on their behalf, providing access to funding and projects, and offering expertise in Corps operations and programming.

Thank You
