

# The Corps Network Great Outdoors Day of Service

& National Service  
and Conservation  
Corps Day

## About the Day of Service

June is Great Outdoors Month®: a celebration of America's public lands and the many ways to enjoy them. Cities and organizations host events across the country to encourage outdoor recreation.

**The Corps Network**, the National Association of Service and Conservation Corps, recognizes Great Outdoors Month® with [National Service and Conservation Corps Day](#) and our [Great Outdoors Day of Service](#). The Day of Service gathers outdoor enthusiasts, conservation supporters, and young people from Corps across the Eastern U.S. for park maintenance projects around the nation's capital. The event has drawn upwards of 200 participants. This year is our 10th Day of Service.

## Purpose of the Day of Service

- **Inspire** people to get outside and contribute to the preservation of America's natural spaces. We can all play a role in maintaining the places we recreate.
- **Raise awareness** about the role of service in improving our public lands.
- **Celebrate** the service of Corpsmembers and other volunteers who help maintain our parks and other natural and cultural resources.
- **Make a difference.** We hope to make a dent in the backlog of projects on National Park Service properties, helping our park partners in the DC region focus on other priority work.
